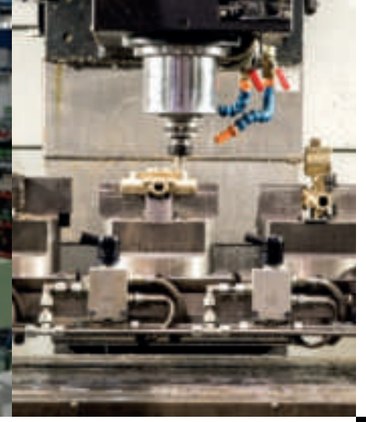
SINCE 1951
WE
MANUFACTURE
FAUCETS

DESDE 1951 SOMOS FABRICANTES DE GRIFERÍA

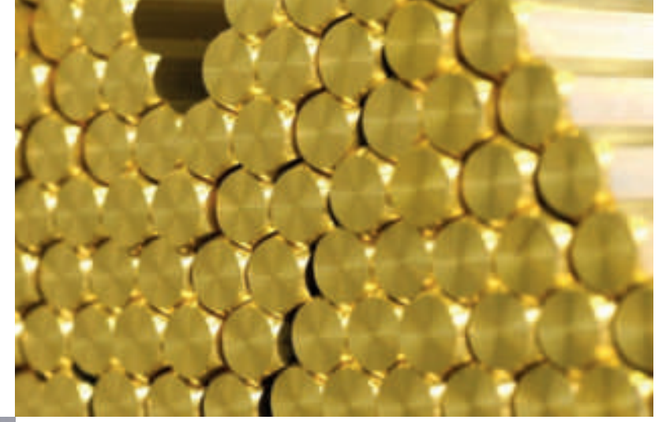
CC-232-01 Price list no. 38. April, 1st 2023.
Tarifa nº37.01 de Abril de 2023.

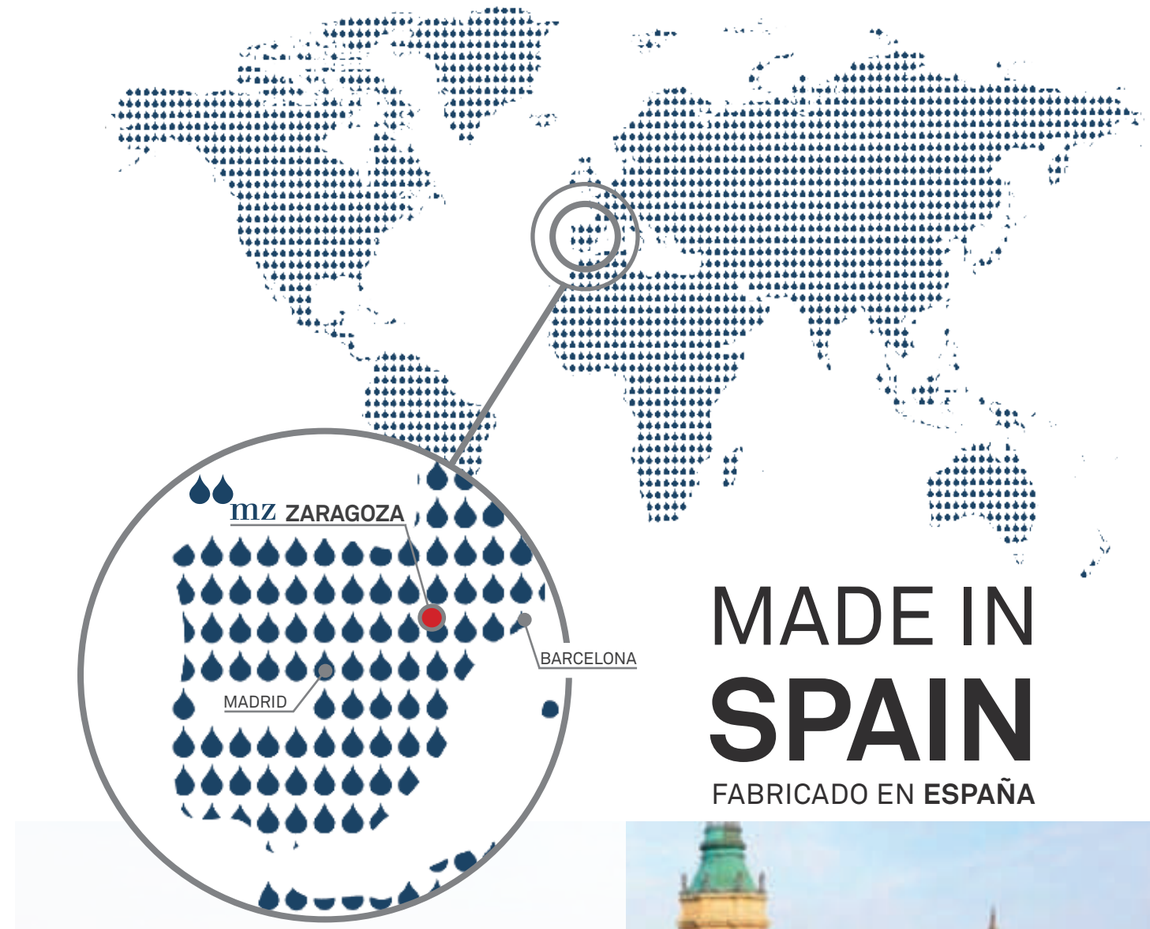
Index - Índice



BEST QUALITY RAW MATERIAL
MZ faucets are maded with **first quality european brass**, with less than 2,5% of plumb on its composition.
Complying to UNE EN 1982 regulation

MATERIA PRIMA DE PRIMERA CALIDAD
La griferia MZ esta fabricada con **latón de primera calidad de origen europeo**, con menos de un 2,5% de plomo en su composición. Cumpliendo así la normativa UNE EN 1982





MADE IN SPAIN

FABRICADO EN **ESPAÑA**

From its conception till its staging, all the MZ products are **developed and manufactured in our factory in Zaragoza, Spain**

Desde su concepción hasta su puesta en escena, todos los productos MZ son **desarrollados y fabricados en nuestras instalaciones de Zaragoza, España**

VERIFIED QUALITY
We perform several **verifications to 100% of the components** and a last one to 100% of the fully assembled product

CALIDAD VERIFICADA
Realizamos varias **verificaciones al 100% de los componentes** y una última del 100% del producto totalmente montado

BRIGHT AS THE FIRST DAY
The finishing process performed in our faucets ensure that they shine as the first day. **Chrome remains always radiant** with a 15 µm nickel coating and 0,5 µm chrome

ESTRENA GRIFERÍA TODOS LOS DÍAS
Las técnicas usadas para los acabados de nuestros grifos garantizan que luzcan siempre como el primer día.
El **cromado permanece siempre brillante**, gracias a su baño de 15 µm níquel y 0,5 µm cromo

OWN DESIGN
Functionality without renouncing aesthetics, this is our design team philosophy that develops all our products

DISEÑO PROPIO
Funcionalidad sin renunciar a la estética, esa es la pauta de trabajo que sigue nuestro equipo de diseño, que desarrolla todos y cada uno de nuestros productos

Index - Índice

OUR QUALITY IS **CERTIFIED**

NUESTRA CALIDAD ESTÁ **CERTIFICADA**

We comply with the **ACS** regulation of the French Department of Health, which ensures that **our products do not contaminate water**.

Cumplimos la normativa **ACS** del Ministère Francais de la Santé, que garantiza que **nuestros productos no vierten sustancias nocivas al agua.**

The north-american agency IAPMO (International Association of Plumbing and Mechanical Officials) certifies that our products complies with the **UPC** (Uniform Plumbing Code). Verifying that **MZ faucets follow the public health, security and wellness standards**.

La agencia norteamericana IAPMO (Asociación Internacional de Oficiales Mecánicos y de Plomería) certifica que nuestros productos cumplen con la **UPC** (Uniform Plumbing Code). Constatándose que la grifería **MZ responde a los estándares de salud pública, seguridad y bienestar**.

We are entirely certain of our quality, therefore **MZ guarantees all its products against any mechanical manufacturing defect for the lifetime of our products.**

Tan seguros estamos de la calidad de nuestra grifería, que **MZ garantiza de por vida todos sus productos contra cualquier defecto de fabricación.**

*** You can see the original certificates and our warranty terms and conditions in our web page or at pages 180 of this catalogue**
* Puedes ver los certificados originales y los términos y condiciones de nuestra garantía en nuestra web y en las páginas 180 de este catálogo

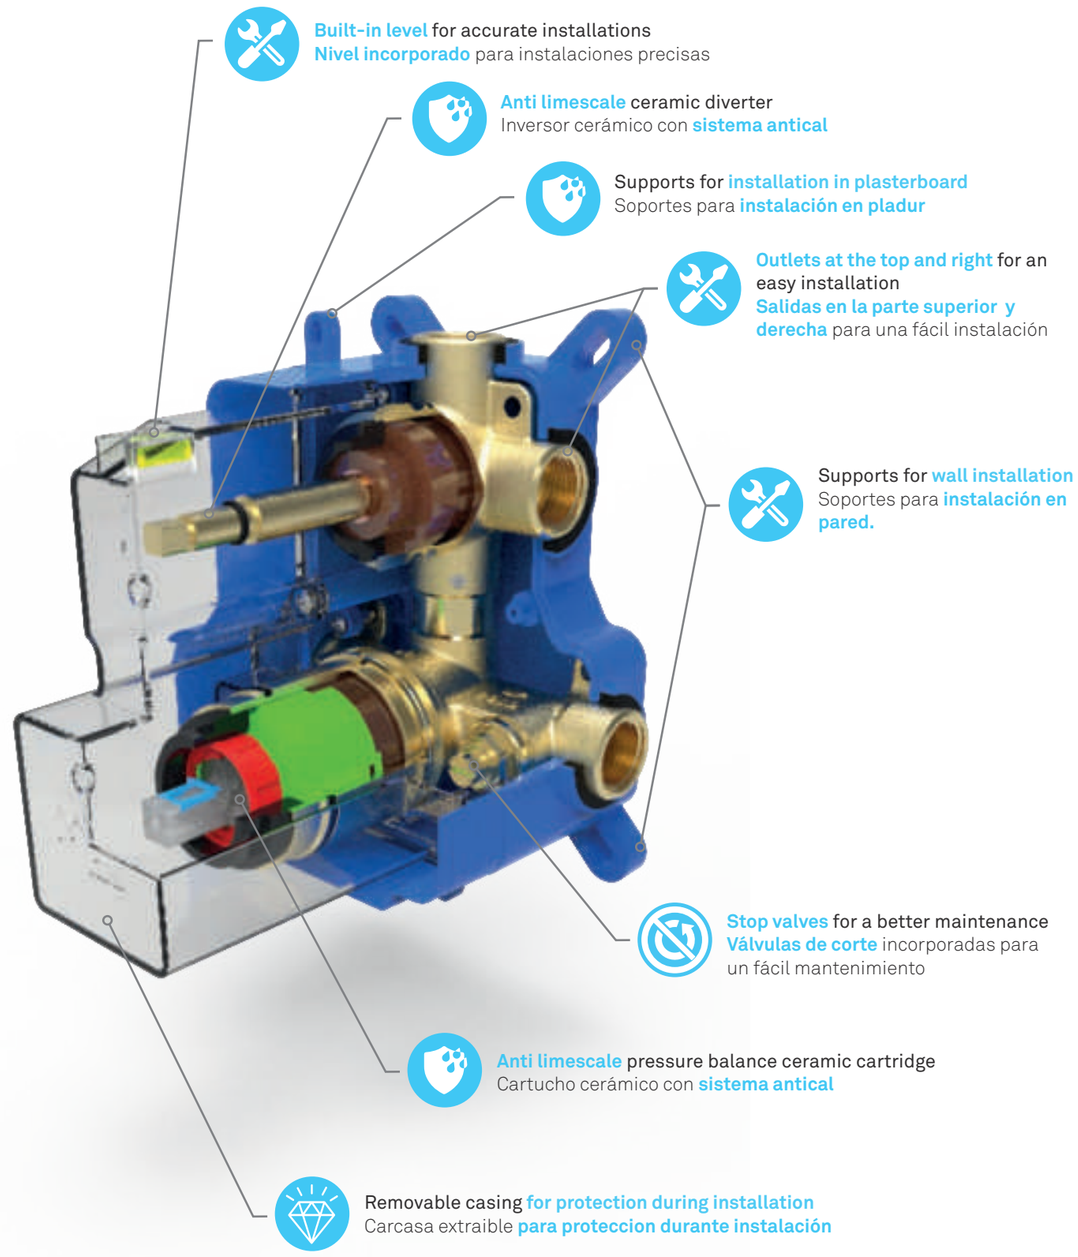
Ultra-thin solid brass cover plate
Plafones sólidos ultrafinos de latón

Intuitive user interface
Interfaz de usuario intuitiva

...full of details
...lleno de detalles



Ultra silent system
Sistema **super silencioso**

Depth in wall **min. 40 mm max. 70 mm**
Profundidad en pared **min. 40 mm max. 70 mm**

Made of **brass**
Fabricado en **latón**

Minimum working pressure of **1 bar**
Presión mínima de funcionamiento de **1 bar**

Suitable for **legionella disinfection** at 70 °C (158 °F)
Apto para la **desinfección de la legionela** a 70 °C

Complies with **UPC** standard
Cumple la norma **UPC**

stap!

MZ rough-in valves include **stap! system**, which **shut hot water flow off upon cold water supply failure to prevent accidental burns**. The same happens if the hot water is cut off.
Los empotrados MZ incorporan el **sistema stap!**, que **ante cortes de agua fría corta el suministro de agua caliente para evitar quemaduras**. lo mismo ocurre si se corta el agua caliente.

Mz-box

You can get separately the recessed valve with installation box and the trim later. Thus **facilitating the organization** in works and making it possible to **change the trim whenever you want.**
Puedes conseguir por separado la valvula empotrada con caja de instalción y el plafón más adelante. Facilitando así la organización en obras y posibilitando el cambio de plafón cuando quieras.

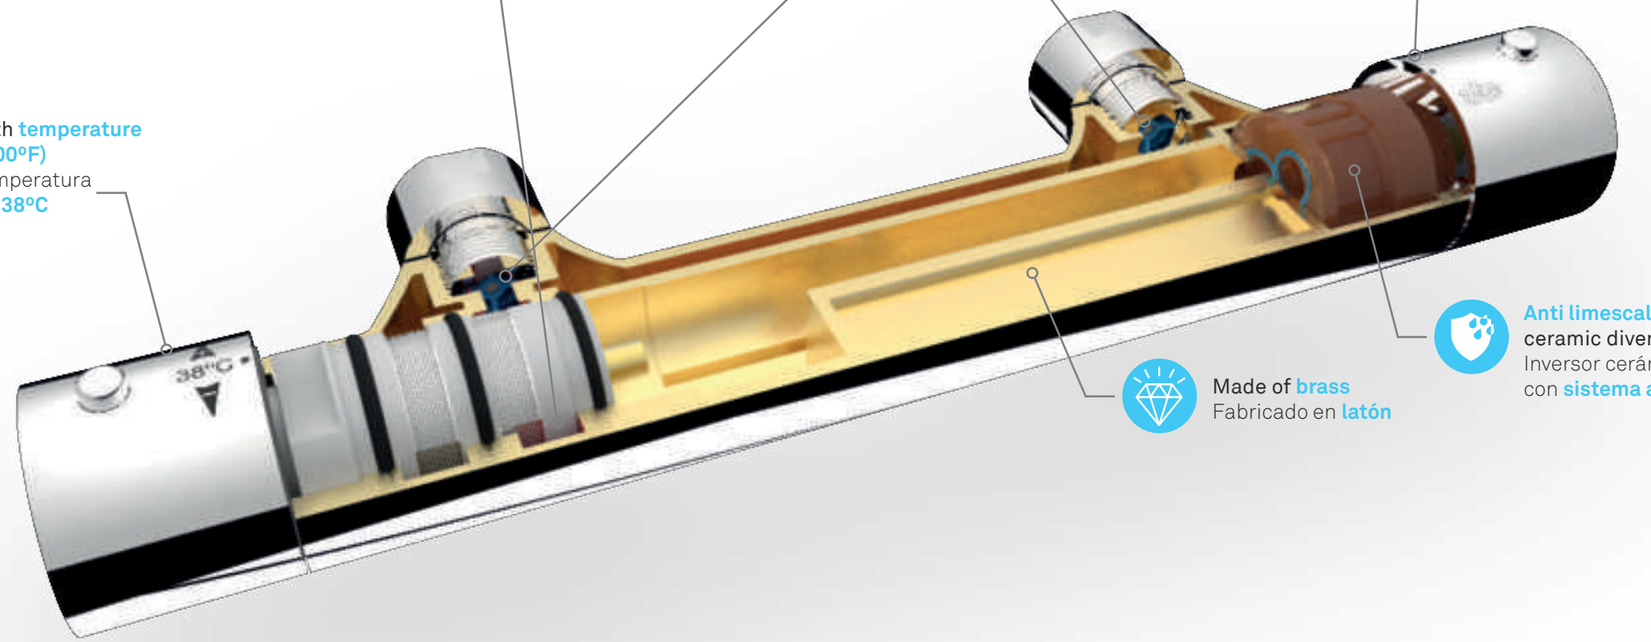
mz thermostatic showers
conjuntos de ducha termostáticos

High technology **anti limescale** thermostatic cartridge
Cartucho termostático de alta tecnología con **sistema antical**

Antireturn stop valves
Válvulas de corte **antirretorno**

Triple function handle: Stop valve, flow regulator and diverter
Maneta con **triple función**: Llave de cierre, regulador de caudal e inversor

Thermostatic handle with **temperature security stop at 38ºC (100ºF)**
Maneta de control de temperatura con **tope de seguridad a 38ºC**



Anti limescale integrated in body ceramic diverter
Inversor cerámico integrado en el cuerpo con **sistema antical**

Made of **brass**
Fabricado en **latón**

Ergonomic design for a **total comfort**
Diseño ergonómico para una **comodidad total**

Ultra silent system
Sistema **super silencioso**

Easy installation and maintenance It does **not require calibration**
Fácil instalación y mantenimiento **No requiere calibración**

Minimum working pressure of **0,5 bar**
Presión mínima de funcionamiento a **0,5 bares**

Suitable for **legionella disinfection** at 70 ºC (158 ºF)
Apto para la **desinfección de la legionela** a 70 °C

Complies with **EN 1111 and ASSE 1016** standards
Cumple las normas **EN 1111 y ASSE 1016**

coldtouch

MZ thermostatic faucets include **cold touch system**, which limits the hot surfaces of the thermostatic faucet to **prevent accidental burns**
La grifería termostática MZ incorpora el **sistema cold touch**, que limita las superfícies calientes del grifo para **evitar quemaduras** accidentales

stap!

MZ rough-in valves include **stap! system**, which **shut hot water flow off upon cold water supply failure to prevent accidental burns**. The same happens if the hot water is cut off.
Los empotrados MZ incorporan el **sistema stap!**, que **ante cortes de agua fría corta el suministro de agua caliente para evitar quemaduras**. lo mismo ocurre si se corta el agua caliente.

+flow

High flow **built in shower valves**
Grifería empotrada de gran caudal

With **MZ +flow system** faucets you will be able to create **your own hydromassage espace**, adding all shower accesories you could wish.

MZ + flow faucets thanks to its **high flow rate** lets you turn on many shower accesories at the same time, **making your every day shower time a new and relaxing experience.**

Con la grifería con **sistema MZ +flow** podrás crear **tu propio espacio de hidromasaje** a medida, colocando todos los accesorios que quieras.

Los grifos MZ +flow gracias a su **gran caudal** permiten encender varios accesorios de baño a la vez, para que **cada día el momento de la ducha sea una experiencia nueva y relajante.**

+flow

High flow built in shower valves
Grifería empotrada de gran caudal

With **MZ +flow system** faucets you will be able to create **your own hydromassage espace**, adding all shower accesories you could wish.

MZ + flow faucets thanks to its **high flow rate** lets you turn on many shower accesories at the same time, **making your every day shower time a new and relaxing experience.**

Con la grifería con **sistema MZ +flow** podrás crear **tu propio espacio de hidromasaje** a medida, colocando todos los accesorios que quieras.

Los grifos MZ +flow gracias a su **gran caudal** permiten encender varios accesorios de baño a la vez, para que **cada día el momento de la ducha sea una experiencia nueva y relajante.**

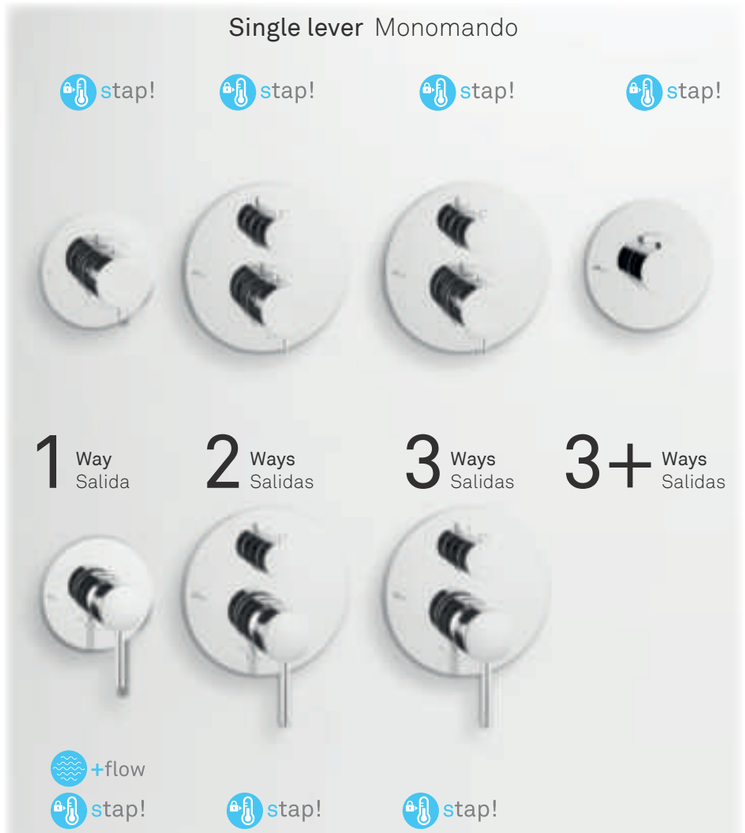
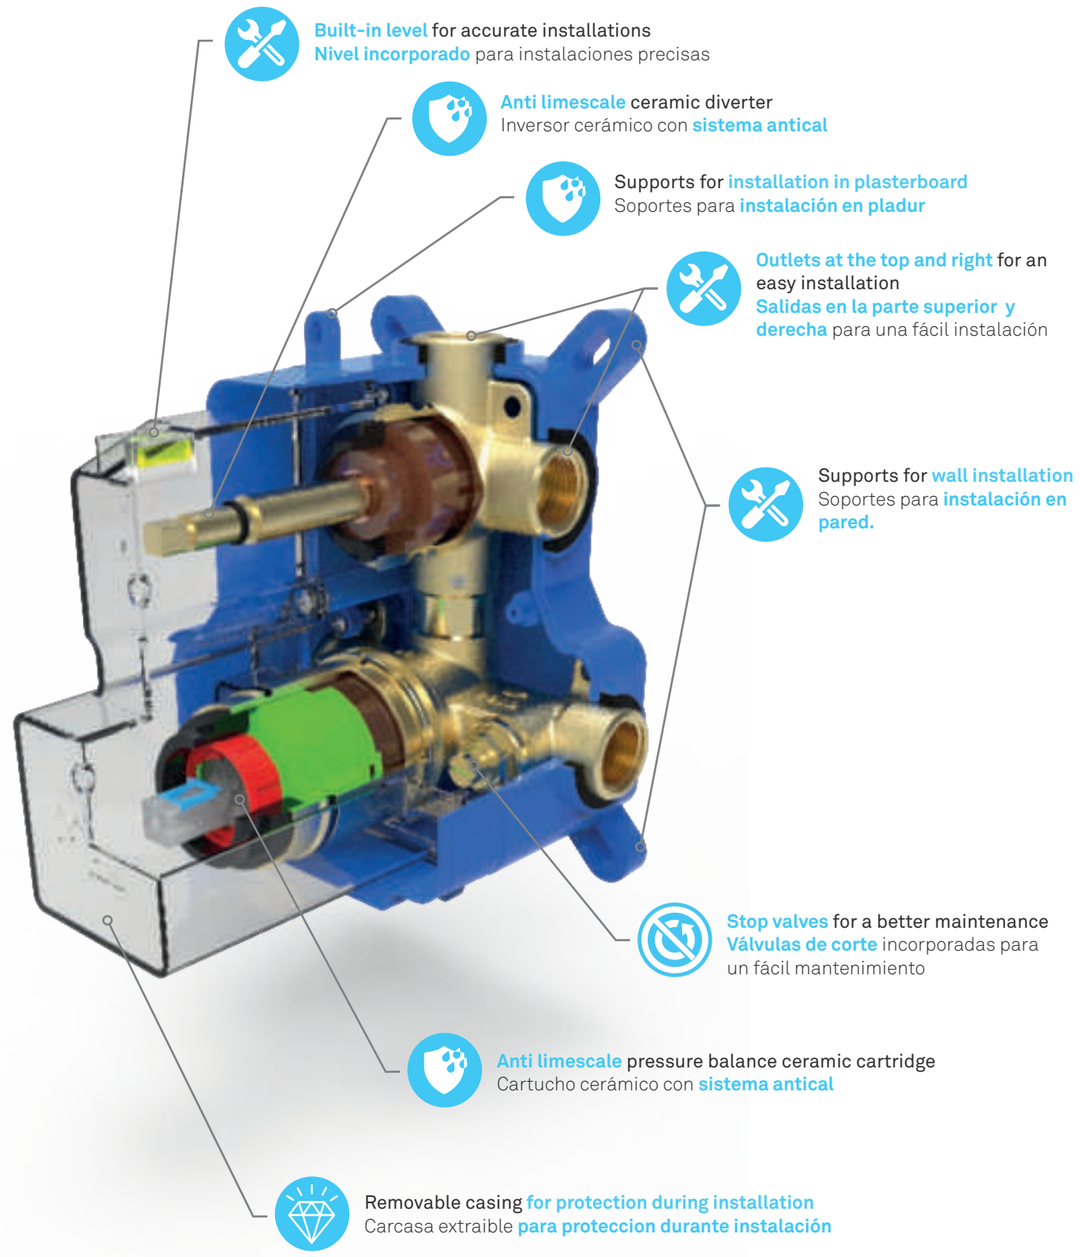
EMPOTRADOS





Ultra silent system
Sistema **super silencioso**

Depth in wall **min. 40 mm max. 70 mm**
Profundidad en pared **min. 40 mm max. 70 mm**

Made of **brass**
Fabricado en **latón**

Minimum working pressure of **1 bar**
Presión mínima de funcionamiento de **1 bar**

Suitable for **legionella disinfection** at 70 °C (158 °F)
Apto para la **desinfección de la legionela** a 70 °C

Complies with **UPC** standard
Cumple la norma **UPC**

stap!

MZ rough-in valves include **stap! system**, which **shut hot water flow off upon cold water supply failure to prevent accidental burns**. The same happens if the hot water is cut off.
Los empotrados MZ incorporan el **sistema stap!**, que **ante cortes de agua fría corta el suministro de agua caliente para evitar quemaduras**. lo mismo ocurre si se corta el agua caliente.

Mz-box

You can get separately the recessed valve with installation box and the trim later. Thus **facilitating the organization** in works and making it possible to **change the trim whenever you want.**
Puedes conseguir por separado la valvula empotrada con caja de instalción y el plafón más adelante. Facilitando así la anización en obras y posibilitando el cambio de plafón cuando quieras.

Limited Lifetime Warranty

mz guarantees its faucets from leaks and all manufacturing defect, with a Limited Lifetime Warranty during normal residential use for as long as the original consumer purchaser owns his or her home. This warranty is non transferrable.

If you believe that you have a warranty claim please provide next information to "mzusa@mzrio.com":

- Description of the problem
- Photo the product
- The date the product was purchased and from whom the product was purchased. Also, include your original invoice (proof of purchase)

Limited Lifetime Warranty is **only applicable to cartridges: thermostatic, ceramic and pressure balance, and to diverters.** This warranty period expires after 10 years from the date of purchase. For rest of products and components the applicable warranty will be:

In general, faucets and accessories warranty is 5 years against all manufacturing defect, except for flexible hoses, gaskets, joints and rest of parts that are subject to wear and tear, that will be limited to 1 year warranty.

Warranty invalidity, the warranty will be null and void in case of:

- Wrong installation or installation from companies/persons without in force applicable plumbing license in the state and/or province. Also, misuse, abuses, importer care and maintenance or use of non compatible replacement parts.
- Installation not according to the product instructions provided.
- Defects produced in case of use of harsh, solvents or any corrosive or chemical products whether the product is applied by the owner or a third party for the owner.
- Lack of maintenance and cleaning in shower-heads, shower-hands, aerators and, in general, wrong use of the product.
- Defects beyond MZ DEL RIO control

MZ will, free of charge, replace or repair during the warranty applicable period any part or product that proves defective in manufacturing. The replacement parts will be chosen according to current product availability. MZ is not responsible for labor charges, installation, or other incidental or consequential costs.

This warranty is limited to the above. This warranty and any warranties implied by state law, including the implied warranty, apply only to products purchased after July 1st. 2004. MZ will not be held liable for any loss, damage, or expense, incidental or consequential damages of any kind whether based on warranty, contract or negligence arising in the sale, use or repair of the product.

This warranty gives you specific legal rights: you may also have other rights which vary from state to state. Unless otherwise contrary to state law governing the purchase, MZ liability will not exceed the contract price for the product claimed to be defective or unsuitable and is applicable only to products installed in The United States.

Sales, Terms & Conditions

Orders: All orders are subject to acceptance by MZ. A P.D. is requested by fax or email.

Prices: Shown on List. All pricing are subject to change without notice.
Cancellation of Orders: Orders placed with and accepted by MZ may be cancelled as long as no shipment has been made against the order and with written approval from MZ.

Freight: Orders for faucets, accessories, will be shipped by UPS ground service unless requested different by the customer. This charge will be included on your weekly invoice.

Shortages: All shortages must be reported to MZ within 5 days of receipt of shipment.

Payments: All accounts are payable in United States currency. COD, Net 30 days terms from the date of the invoice. A service of 1.5% will be applied on outstanding invoices. This amount will be reflected on your next invoice.

Returned Goods: Products purchased from MZ cannot be returned without written authorization. Customer of MZ may return non-discontinued, saleable material for credit. Authorization must be obtained prior to return and freight must be pre-paid by the customer. All goods authorized for return must be accompanied with a copy of our RMA form. Merchandise must be received in good condition in its original boxes with all components. All returns are subject to a 25% restocking fee.

Damaged Goods: For you protection we ask that you sign all packing list. (Shipment received subject to inspection). In the event that damage exits, it is the responsibility of the consignee to file a claim with the carrier within 7 days. As well as notify MZ. Our responsability stops at our facility. If you have a claim from the carrier, please do not hold back the payment to MZ, expect MZ to take the claim action on your behalf.
If materials are damaged in transit, the Delivering Transportation Company (Carrier) is required to make notations of damages on your packing list.
If in your opinion there may be concealed damage, the transportation company is obligated to make an inspection after the goods are unpacked. Freight rates are made in proportion to damage liability, therefore, the carrier not the shipper, should be charged with any loss or damage and the claim should be filed with the Delivering Transportation Company.

Care and Cleaning: Faucets, accessories and stainless steel products. Simply rinse your faucets and accessories with a damp cloth and clear water. Dry the finish with a soft cloth. Clean your stainless steel products with any approved stainless steel cleaner or soft scrub cleaner. Do not use abrasive cleaners, clothes, towels or sponges. Do not use cleaning agents containing acids, or harsh cleaners.

M.A.P. POLICY

All MZ Del Rio s.a. products that are advertised on an ecommerce website, newspaper ad, television commercial or any other form of advertisement must adhere to our M.A.P. (Minimum Advertised Price) policy. Any violators of the M.A.P. policy will be suspended, and may lead to the account closure.

The minimum price to which any product can be advertised is calculated as: 30% discount on any price list in effect at any time.

Identification:
Plumbing supply fittings shall be marked with the manufacturer's recognized name, trademark, or other mark or, in the case of private labeling, the name, trademark or other mark of the customer for whom the fitting was manufactured. The marking shall be accomplished by use of a permanent mark or by placing a permanent label on the product. Markings on plumbing supply fittings shall be visible after installation.

Showerheads and hand-held showers shall be marked with the manufacturer's specified maximum flow rate, in L/min and gpm.

Kitchen, lavatory, and metering faucets shall be marked with the manufacturer's specified maximum flow rate, in L/min and gpm or L/cycle and gpc.

Single-handle and single-control bath and shower mixing valves shall have their temperature control settings identified alphabetically, numerically, or graphically.

High-efficiency commercial pre-rinse spray valves shall be marked with the manufacturer's specified maximum flow rate, in L/min (gpm).

Listed products shall bear the cUPC® certification mark.

Packaging for plumbing supply fittings shall be marked with the manufacturer's name, trademark, or other mark as well as the model number or, in the case of private labeling, the name, trademark, or mark of the customer for whom the fitting was manufactured as well as the model number.

Packaging for showerheads and hand-held showers shall be marked with the manufacturer's specified maximum flow rate and either the manufacturer's specified minimum flow rate or the statement "For use with automatic compensating valves rated at xxx L/min (yyy gpm) or less", where xxx L/min (yyy gpm) is the manufacturer's specified minimum flow rate.

Packaging for kitchen, lavatory, and metering faucets shall be marked with the manufacturer's specified maximum flow rate, in L/min and gpm or L/cycle and gpc.

Characteristics:
Fittings may include lavatory, sink, bath & shower, lawn and sediment faucets. Plumbing fixture fittings to be installed in accordance with the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code and National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
